6) The convention is an interesting and spiritually inspiring event. It is however, a working session of the organization, and at times the sessions can be long and the days and evenings are packed with events. There is very little free time and it can be very tiring. Understanding all this, can you willingly accept participating in the **full scope** of the convention?

7) How do you see your future involvement as an LWML member at the society, zone and district levels?

8) Please tell us how you will use this experience and opportunity to encourage other young women to participate in LWML at the society, zone and district.

We ask that you have someone who knows you well (perhaps the person who encouraged you to apply) list their name and relationship to you (i.e. friend, society president, **not a relative**) and answer the question, "Why do you feel this individual would make a valuable Young Woman Representative?" Identify and describe this individual's leadership abilities. How does she presently use them in the local congregation? How do you think she and your congregation would benefit as a Young Woman Representative to the LWML convention? Attach this statement to the application form.
